Direct Current Voltage Rating In Volts:

6.0

Product Name:

Cat5 vga data transmitter

Special Features:

Dual function video and bidirectional rs-232 extender; network-free digital signage solution; remote control video application; cat5 shielded ftp cable; l weight: 0.39 lbs; rct system application; dimensions: 3 by 2.5 by 1 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
