Overall Length:

16.400 inches

Overall Height:

7.300 inches

Overall Width:

17.400 inches

Operating Temperature Range:

-41.0/+95.0 degrees fahrenheit

End Application:

Pixma mp460

Printer Type:

Ink jet

Voltage In Volts And Current Type:

110.0 ac

Product Name:

Printer, automatic data processing

Special Features:

Standard memory: 43 kb; supported flash memory: memory stick, compactflash, smrtmedia, sd memory card, multi media card, memory stick pro, ibm microdrive

Type/model Designation:

Pixma mp460 color ink-jet- printer/ copier/ scanner

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506k0
