Overall Height:

12.500 inches

Overall Width:

16.500 inches

End Application:

Workgroup printer- laser color

Product Name:

Printer, automatic data processing

Special Features:

64mb of installed ram; ethernet, fast ethernet; interface devices: usb, ethernet; operating temperature: 50 degrees fahrenheit, operating temperature: 90.5 degrees fahrenheit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A506k0
