**Mounting Type:**

Rack

**Alternating Current Voltage Rating In Volts:**

100.0 and 240.0

**Power Source:**

Self-contained

**Product Name:**

Smart switch

**Special Features:**

24 rj-45 ports; 2 mini gigabit interface converter slots; 48 gbps nonblocking store-and-forward switching mechanism; configuration and monitoring from a standard web browser; 802.1q-based vlan; port-level security; multicast and broadcast storm control; port mirroring

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A30800
