Mounting Type:

Rack

Alternating Current Voltage Rating In Volts:

100.0 and 240.0

Power Source:

Self-contained

Product Name:

Smart switch

Special Features:

24 rj-45 ports; 2 mini gigabit interface converter slots; 48 gbps nonblocking store-and-forward switching mechanism; configuration and monitoring from a standard web browser; 802.1q-based vlan; port-level security; multicast and broadcast storm control; port mirroring

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A30800
