Operating Temperature Range:

+10.0/+40.0 degrees celsius

Display Type:

Liquid crystal

Unit Design:

Panel mounted

Diagonal Display Size In Inches:

15.0

Display Resolution:

1024 horizontal and 768 vertical

Special Features:

Active-matrix tft-lcd; auto-setup; medical grade; front sealed; 600: 1 contrast multiple inputs; built-in backlight stabilization

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506z0
