Alternating Current Voltage Rating In Volts:

100.0 and 240.0

Current Rating In Amps:

0.8

Special Features:

Voice-ready; layer 2 enterprise-class gigabit switching and layer 3 static routes; enterprise-quality security; 24 10base-t/100base-t/1000base-t 4 gigabit sfp ports; 56 gbps switching capacity; 41.7 mpps forwarding rate

Frequency In Hertz:

50.0 and 60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
