Overall Length:

6.700 inches

Overall Height:

0.800 inches

Overall Width:

6.100 inches

Operating Temperature Range:

+41.0/+104.0 degrees fahrenheit

Design Type:

Compact disk - recordable

Head Type And Quantity:

24 read/write

Unit Design:

Desk top

Voltage In Volts And Current Type:

5.0 dc

Data Storage Capacity:

2.00 megabytes

Special Features:

Slim dual layer external disk burner; black and white plastic; hi speed 4 pin mini b usb connection; tray load; securdisk

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505e0
