| Alternating Current Voltage Rating In Volts: |
|--|
| 100.0 and 240.0                              |
| Power Source:                                |
| External                                     |
| Special Features:                            |
| 48 port fast ethernet switch                 |
| Frequency In Hertz:                          |
| 50.0 and 60.0                                |
| Shelf Life:                                  |
| N/a  |
| Unit Of Measure:                             |
|  |
| Demilitarization:                            |
| No   |
