Overall Length:

5.000 inches

Overall Width:

2.250 inches

Product Name:

Specification, vfd, century series, dot matrix modules rohs compliant

Special Features:

1- wide temperature range, 3- general series designator, 2- number of character lines, 20- number of character columns (character of lines), 05-approximate character height (mm)

Type/model Designation:

105

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A506z0
