Operating Temperature Range:

+0.0/+50.0 degrees celsius

End Application:

Global hawk

Display Type:

Liquid crystal

Features Provided:

Ruggedized

Unit Design:

Rack mounted

Product Name:

Saber rackmount solar lcd monitor

Diagonal Display Size In Inches:

19.0

Display Resolution:

1280 horizontal and 1024 vertical

Special Features:

Power supply rear mount 100w/12vdc; lcd display clear float glass, antiglare etch two sides; resolution sxga

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506z0
