Direct Current Voltage Rating In Volts:

24.0

Power Source:

External

Product Name:

(inavy)serial interface

Special Features:

Interface 1 is 4s-422 interface in acc. With itu-t v.11, eia/tia-422, din 66348-1; operating mode is full duplex; transmission length is 1000 max; type of connection is pluggable screw connection; serial transission speed is 2 mbps; width is 35.000; heigth is 105 mm; depth is 99 mm105.00

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
