Overall Length:

5.9 inches

Overall Height:

1.4 inches

Overall Width:

2.0 inches

Unit Design:

Portable

Product Name:

Vdc-800 usb data controller

Interface Type:

Usb

Special Features:

Power options: usb bus power or external supply; usb bus power: 5v, 500ma (supplied by usb host), external supply: 8-30v d.C.; operation temperature: -35 degrees c to 60 degrees c; storage temperature: -35 degrees c to 71 degrees c; weight: 12 ounces; channel rate: up to 128 kbps

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A502f0
