Overall Length:

6.500 inches

Overall Height:

1.700 inches

Overall Width:

4.000 inches

Operating Voltage In Volts:

5.0

Unit Design:

Desk top and rack mounted

Product Name:

Switch kvm 2-ports dvi

Interface Type:

Usb

Special Features:

The dash numbers 202 indicate the equipment made for the european market; dash 001 made for north american market see 015808363; input power is 9vdc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A502f0
