Case Material:

Steel

End Application:

E-3 block 404

Power Source:

External

Special Features:

Operates in -40 degrees to 160 degrees f ambient tempaltitude to 15, 000feet operating link-loss-learn feature mean time between failure 15 years bel lcore method

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
