## NSN 7025-01-605-4530

Automatic Data Processing Interface Unit - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/7025-01-605-4530

Case Material:
Steel
End Application:
E-3 block 404
Power Source:
External
Special Features:
Operates in -40 degrees to 160 degrees f ambient tempaltitude to 15, 000feet operating link-loss-learn feature mean time between failure 15
years bel lcore method
Shelf Life:
N/a
Unit Of Measure:
<del></del>
Demilitarization:
No
Fiig:
A30800
