Mounting Type:

Rack

End Application:

Pe and regional office

Power Source:

External

Product Name:

Hp msr 16-channel voice processor module

Special Features:

Oaa with ip telephone solution; embedded encryption, fire wall security features; convergence of routing, switching, voice, security

Supplementary Features:

Support for ac, dc, poe

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
