Mounting Type:

Rack

End Application:

Cpe& regional office/enterprize

Power Source:

External

Product Name:

Hp msr 8-channel voice processor module

Special Features:

Oaa w/ip telephone solution; embedded encryption firewall, security features; convergence of routing, switching, voice, security

Supplementary Features:

Support for ac, dc, poe

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
