Mounting Type:

Rack

Power Source:

Self-contained

Input Intelligence Type:

Digital

Output Intelligence Type:

Digital

Product Name:

High density dvi usb kvm switch, 16-port

Special Features:

Controls up to 16 single linke dvi usb computers with one usb keyboard, one usb mouse and dvi monitor; 110 or 220 vac at 50 or 60 hz; 0 to 38 c operating temp; 10 watt power consumption

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A30800
