Power Source:

External

Maximumwidth:

301.0 millimeters

Maximumheight:

158.0 millimeters

Product Name:

Fi-6140z sheetfed scanner

Special Features:

Depth 160.0mm; operating temp 42 to 95f (5 to 35c); scans color (24 bit), grayscale (8bit) and monochrome; 50 page automatic document feeder; power requirement 100 to 240vac plus or minus 10 percent; weight 9.24l (4.2kg) or less;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A31700
