Overall Height:

5.25 inches

Overall Width:

0.15 inches

End Application:

An/usq-144

Product Name:

2gb ddr2 sdram memory module

Special Features:

Memory module consisting of 2gb storage capacity using sdram memory technology having a bus speed of 667mhz.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
