Overall Length:

6.700 inches

Overall Height:

1.700 inches

Overall Width:

17.400 inches

Operating Voltage In Volts:

Between 110.0 and 220.0

Unit Design:

Desk top and rack mounted

Product Name:

1810-24g switch

Special Features:

Smart-managed, fixed-configuration gigabit and fast ethernet layer 2 switch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A502f0
