Data Storage Memory Unit - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/7025-01-617-2224

Storage Tempurature Range:

-40.0 to 85.0 degrees celsius

End Application:

Workstation

Product Name:

(inavy) recorder subassembl

Special Features:

Description: 120gb hyper x 3k ssd sata 3 2.5; package content: (stand-alone drive); operating temperature: 0 degrees c to 70 degrees c;

120gb

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

.....

A23900
