Mounting Type:

Base or rack

End Application:

Advanced technologies & oceanic procedures (atops)featgcatalyst 3560x 24 port data ip base; interface unit, data transfer

Power Source:

External

Product Name:

Ethernet switch

Special Features:

Standalone 24 10/100/1000 ethernet ports; 350 w ac power supply; 1 ru; ip services feature set

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A30800
