Unpackaged Unit Length:

86.8 millimeters

Unpackaged Unit Width:

27.6 millimeters

Unpackaged Unit Height:

13.4 millimeters

Furnished Items And Quantity:

N 900 wireless dual band usb adapter 1; desktop dock 1; installation guide 1' installation cd 1

Power Source:

External

Input Intelligence Type:

Digital

Output Intelligence Type:

Digital

Product Name:

Dual band wifi usb adapter

Special Features:

Dual band 2.4 or 5 ghz; 450 mbps; designed for video streaming and on-line gaming; improved range; ieee 802.N

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
