**End Application:**

Nsn 5895-33-212-4506 communication set, satellite atqh

**Unit Design:**

Desk top and rack mounted

**Product Name:**

Remote carrier monitor

**Interface Type:**

Rj45 and bnc

**Special Features:**

Frequency coverage 1mhz-2500mhz; span width 0-500mhz/variable; input connector bnc, 50 ohms standard; power requirements 85-265 vac 50/60hz; size 1 standard eia rack unit 19 inch wide x 1.75 inch high x 16 inch depth

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A506z0
