Power Source:

Self-contained

Input Intelligence Type:

Digital

Output Intelligence Type:

Digital

Product Name:

Gigabit interface converter module

Special Features:

8-port 1000/base-x gbic module; hot swappable i/o modules and fan trays; nebs level 3 compliant

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
