Alternating Current Voltage Rating In Volts:

100.0 and 240.0

Features Provided:

Rohs directive compliance

Product Name:

Hp 5800 switch

Special Features:

Throughput 190mpps; operating temperature 32 to 113 degree f; routing/switching capaci type 256 gbps

Frequency In Hertz:

50.0 and 60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A30800
