Overall Length:

8.300 inches

Overall Height:

1.300 inches

Overall Width:

4.400 inches

Wattage Rating:

16.000 watts

Voltage In Volts And Current Type:

240.0 ac

Product Name:

Centrecom aui to bnx micro repeater

Special Features:

IEEE 802.3 compliant, ethernet version 1.0 and 2.0 compatible; switch for internal 50 ohm termination on bnc connections; internal power supply; automatic polarity detection and correction on utp ports; automatic segment partitioning and jobber lock-up protection; aui to bnc ports; 100-120 v power cord

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
