Overall Length:

3.000 inches

Overall Height:

2.000 inches

Overall Width:

2.000 inches

Voltage In Volts And Current Type:

110.0 ac

Product Name:

Mintranslator stp/st

Special Features:

D10 mbps transparent translation between stp and st automatically operates in full or half-duplex; latency less than 5 bits; lan port types - 10 base-t (rj-45) 10 base-fl (st); distance 2 k

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
