Overall Height:

714.0 millimeters

Overall Width:

480.0 millimeters

Model Number:

Sunfire v880

Wattage Rating:

1500.000 kilowatts

Voltage In Volts And Current Type:

240.0 ac

Special Features:

Accommodating two to eight processors with up to 64 gb of main memory, integrated fibre channel disk system that supports twelve disks

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
