**Overall Length:**

19.000 inches

**Overall Height:**

1.750 inches

**Overall Width:**

4.500 inches

**Product Name:**

Rackmount servswitch extender hub 6 port standard

**Special Features:**

Interconnect 6 rj-45; cpu 6 db25 f; video bandwidth 150 mhz per port; indicator front mounted leds, 1 for each port, for power and link integrity; temperature tolerance 32.0 - 104.0 degrees f; humidity tolerance 5.0 - 90.0 pct noncondensing

**Functional Description:**

Link multiple computers to multiple dedicated stations; bidirectional stereo audio

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
