Product Name:

Ethernet-gpib/rs-232 switching system

Special Features:

Capacity requirement condition, shape: lac installation form, power source ac input: 90-250 vac, 47-63hz, humidity: 95%, interface: zee-488 (standard gpib)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
