

View Online at <https://aerobasegroup.com/nsn/7035-01-571-3177>

Current Rating:

700.000 milliamperes

Special Features:

Ethernet network processor type; item listed as programmable logic controller by manufacturer; 24 v; q type 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
