Overall Length:
6.600 inches
Overall Width:
2.710 inches
Storage Tempurature Range:
-43.0/+73.0 degrees celsius
Product Name:
Brocade 825 fc hba (fibre channel host bus adapters)
Special Features:
Performance: up to 500000 iops per port (max.); distance support: 50 meters at 8 gbit/sec on 62.5/125 micro milli multi-mode fibe (mmf);
operating temperature: 0 to 55 degree celsius; power dissipation: 6 w(typical); operating voltage: 3.3v
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A23900
