Overall Length:

10.000 inches

Overall Height:

3.500 inches

Overall Width:

19.000 inches

End Application:

Mids-lvt, stt and mids jtrs terminals

Voltage In Volts And Current Type:

12.0 dc

Product Name:

Mids-lv (1) integrated control unit

Special Features:

Has an iff emergency momentary switch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
