Overall Length:

13.500 inches

Overall Height:

1.200 inches

Overall Width:

4.200 inches

End Application:

Mcmas workstation, arleigh burke class ddg

Features Provided:

Electrostatic sensitive

Component Type And Quantity:

1 board

Product Name:

Comark pc/104-486 tm coprocessor

Special Features:

43910 pc/104 80486 coprocessor

Unpackaged Unit Weight:

39.0 kilograms

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
