End Application:

Misc parts list for lpd 0008

Component Type And Quantity:

1 connector and 1 housing

Product Name:

Port, data, surface

Special Features:

Grace engineering product's connector to terminal block pcb; db9f (printed circuit board pins 1-9 to terminal blocks); surface mounted by 4 mounting holes with diameters of 0.220 inches; housing has a cast alloy base and a plastic cover; ratings are nema 12/4 and ip-65.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
