Overall Length:

3.800 inches

Overall Height:

2.300 inches

Overall Width:

5.900 inches

End Application:

Ethernet master switch panel

Component Type And Quantity:

1 switch

Product Name:

(inavy) indl enet sw, 24vdc, 2st

Special Features:

Six 10/100baseTx ports, two multimode 100base fx fiber optic ports

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A5110
