Overall Length:

4.700 inches

Overall Height:

1.000 inches

Overall Width:

3.000 inches

Operating Temperature Range:

+0.0/+50.0 degrees celsius

Indicator Type:

Indicating light

Voltage In Volts And Current Type:

12.0 dc

Product Name:

Single mode to multimode media converter

Special Features:

Steady green led indicates connection to external ac power; shipping weight is 2 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A50810
