Overall Length:

7.400 inches

Overall Height:

2.100 inches

Overall Width:

4.800 inches

End Application:

Control station, rmt 40430a13

Component Type And Quantity:

1 module

Product Name:

Module, communications profribus, cp (communications process)

Special Features:

Weight of item is 0.531 pounds; itej used for connections for programmer or notebook to profibus or multi panel integration (mpi)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511l0
