Overall Length:

5.16 inches

Overall Height:

1.58 inches

Overall Width:

6.1 inches

Operating Temperature Range:

+32.0/+104.0 degrees fahrenheit

Unit Design:

Desk top or free standing or panel mounted

Voltage In Volts And Current Type:

240.0 ac

Special Features:

Weight: 1.65lb, internal power supply, convert speed and media, supplies up to 15.4w of poe power, support 100 and 1000mbps fiber sfp modules, standalone or wall-mountable, internal ac power supply, ac power cord retaining clip

Frequency In Hertz:

50.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A50810
