Overall Length:

23.900 inches

Overall Height:

15.400 inches

Overall Width:

19.620 inches

End Application:

Mh-60r seahawk se; cass/otps

Unit Design:

Rack mounted

Product Name:

Converter otps, airc; converter, cv-4464, p/o otps on759/usm

Special Features:

Used in conjunction with the other elements in the interconnecting group, otps-on-759, in support of: receiver/transmitter, niin 015982954; receiver/transmitter niin 015622533; antenna pedestal, niin 015494287; radar data processor, p/n 300a381-3 (03640); antenna pedestal, p/n 300a382-2 (03640)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A50810
