Included
Special Features:
Freestanding, steel, contemporary style wardrobe (tower) intended for office use with drawer section on right side; storage compartment
above drawer section and a full height wardrobe section on left side. Drawer section has two file drawers with full progressive or telescoping
ball bearing slides so drawers open full drawer depth. Drawers support both side to side and front to back hanging folders. Storage
compartment has two adjustable shelves and door with right hand hinges. Wardrobe section has side-to-side coat rod, shelf and door with
left hand hinges. All drawers and doors are lockable with all locks keyed alike with not less than 125 key changes. Locks on lock cylinders
are removable to allow re-keying. Drawer and drawer pulls are ada compliant. Units meet the requirements for wardrobe (tower) specified in
3fne 04-602. Base type: steel, full panel design; base end feature: adjustable g lides; glide qty: 4
