Product Name:

Encapsulated foam infirmary mattress

Special Features:

Mattress cover is 210d oxford nylon waterproof mattress ticking which is anti-bacterial, anti-fungal, easily washable and stain resistant. Other fabric options are available. Cover is available with or without a zipper closure. Zipper closure allows for easy cover replacement if needed. Without zipper, mattress is sewn completely shut. The mattress meets all flammability requirements for shipboard use including mil-std 1623e, e-662 and military prf 2009m. This mattress also passes e1870, cfr part 1632, bfd ix-11, tb 129, tb 603, tb121, nfpa 701, and tb117. Mattress is cfr 1633 compliant.
