Fire Retarding Characteristic:

Fire retarding

Width:

12.000 inches

Thickness:

0.125 inches

Length:

12.000 inches

Filling Material:

Any acceptable

Nonsparking Provision:

Not included

Shade Identification:

55503

Color Pattern:

Textured

Wall Surface Usage Feature:

Not included

Special Features:

Asbestos free filling material

Color:

Cool white

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T259-g
