Fabrication Method:

Woven

Width:

144.000 inches

End Application:

Used onboard 41 ft utb coast guard vessels

Pile Material:

Wool

Pile Height:

0.187 inches

Err Default:

Err default

Back Coating Material:

Rubber foam

Special Features:

Even blend of black, brown and amber; 168 ins nom lg

Specification Data:

06101-ddd-c-0095a/type ii-velvet, class 2 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T259-a
