Overall Length:

78.000 inches

Overall Height:

36.000 inches

Overall Width:

30.000 inches

Current Type:

Ac

Frequency Rating:

60.0 hertz

Installation Design:

Free-standing with adjustable legs

Voltage Rating:

120.0 volts

Unit Type:

Single sided access

Features Provided:

Storage space

Outside Shell Material:

Stainless steel

Food Storage Pan Capacity:

5

Special Features:

As modified by voltage rating; 1 phase

Specification Or Standard:

I type and 1 class and b model and b style and 5 size

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510m0
