Overall Length:

86.000 inches

Overall Height:

36.000 inches

Overall Width:

34.000 inches

Current Type:

Ac

Frequency Rating:

60.0 hertz

Voltage Rating:

240.0 volts

Heating Method:

Electrically

Opening Shape And Quantity:

6 rectangular

Phase:

Single

Special Features:

Stainless steel w/8 in. Wide poly cutting board; w/6 in. Legs and open base; w/individual drains with gate valves

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T281-c
