Overall Length:

94.500 inches

Overall Width:

30.500 inches

Current Type:

Ac

Frequency Rating:

60.0 hertz

Voltage Rating:

240.0 volts

Heating Method:

Electrically

Wattage Rating:

4500.0 watts

Phase:

Single

Special Features:

Stainless steel; 6 wells; stationary unit with sliding doors and cutting board; spillage pans not included

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T281-c
